Over \$2 million in scholarships awarded to Miami-Dade County students since 1972 thanks to the community's support

The Fair is proud to reward dedicated high school seniors planning to go to an accredited college, university or trade school who have achieved a minimum 3.0 GPA and demonstrate a commitment to voluntary participation in school and community activities.

Funding is made possible through the proceeds earned by the not-for-profit Miami-Dade County Fair & Exposition, Inc. during the 18 days of The Fair and off-season facility rentals.

Fair visitors may not realize that while they are having a great time at The Fair, their visit is also helping to support the youth of Miami-Dade County.

The Fair congratulates the 2008 scholarship winners and wishes them the best in college, life and career.
